

UCSB AI Day

October 21, 2025

Webinar Schedule

**9:00
AM**

Opening Remarks

How do UCSB researchers use AI effectively & responsibly? Hear from campus leaders in AI as we kick off our day of learning

**9:30
AM**

Tools Tour

Google experts will showcase some of the key features of Gemini & NotebookLM and provide examples of how to use them in daily work.

**10:30
AM**

Scaled Building Session

Now that you're familiar with the tools, learn how to build a Notebook and Gems of your very own.

**1:30
PM**

Office Hours

Open session. Ask the team from Google your questions about their AI tools. Bring specific issues or use cases if you like!
